NON-STOP INSPIRATION

THE NFB, YOUR TRUSTED PARTNER IN THE CLASSROOM FOR OVER 70 YEARS IS NOW MORE ACCESSIBLE THAN EVER. WITH A SUBSCRIPTION TO CAMPUS, YOU (AND YOUR STUDENTS) CAN ACCESS OVER 3,000 FILMS, TOOLS, RESOURCES AND INTERACTIVE PRODUCTIONS ONLINE.

CAMPUS FOR EDUCATIONAL INSTITUTIONS

CAMPUS offers online access to extensive resources and services. Benefits include access to thousands of films, including new releases and over 600 exclusive titles; and full use of NFB study guides, thematic playlists and other classroom aids. Subscribers receive ongoing support from the NFB Education Team.

CAMPUS FOR INSTITUTIONS & BUSINESSES

Many private companies and public agencies employ NFB productions for outreach and training. They include social service and health-care providers; policing and correctional agencies; financial institutions; museums; and community-based non-profit organizations.

CAMPUS FOR LIBRARIES

A subscription to CAMPUS offers libraries enhanced access to the NFB collection, with public screening rights to NFB films.

With CAMPUS you gain access to:

Over 2,800 high quality Canadian productions including documentaries, animated films, interactive productions and shorts – in English and in French.

Downloadable educator's guides (by film and thematic) to provide needed context and guidance when exploring sensitive or complex issues with your learners.

Over 600 exclusive films for CAMPUS users, including new releases and all-time best-sellers in education and institutions.

Rich interactive productions (perfect for using with interactive whiteboards) that illustrate new ways of learning and telling informative and compelling stories.

Explore by grade level and subject area, then use educational descriptions written and for and by Canadian educators to help you choose suitable films and resources quickly and efficiently.

Webinars where you can learn how to maximize your CAMPUS subscription and ask a seasoned NFB Education Specialist anything you want to know – we are here to help you!

Users can create their own chapters, playlists and film descriptions for easy playback in a classroom, presentation or training setting.

...and much more.
